Membership Fees 2024-25

Dear Member,

Thank-you for your continued support of Alderney Golf Club. It is now time to renew your membership for the new golf year commencing on 1st October 2024. I have outlined the 2024-25 fees overleaf along with further renewal information.

We appreciate your membership enormously and strive to provide great value for money with first class facilities. We have kept fees as low as possible and our price increase is lower than Guernsey RPI and UK, making membership fees extremely competitive. Additionally, our golf subscription continues to include the EGU (English Golf Union) affiliation personal liability insurance.

As normal, all fees are payable by **1st October 2024**

We continue to promote recreational healthy sport for all ages and our course brings together local, bailiwick and overseas players which supports jobs, the local economy and tourism. Existing and new members are welcome regardless of gender, age or ability and we enjoy regular competitions and social opportunities throughout the year. Additionally, we have an excellent outdoor Bowls facility which also hosts friendly and competitive play.

Your continued membership support in the coming year will play a vital role with helping the committee maintain the outstanding facilities.

Additionally, we have a dedicated team of volunteers; comprising the committee along with other helpers which helps keep ever rising running costs as low as possible. We welcome new helping hands and if you would like to offer support for an event, a specific task, seasonal or year around involvement, please do not hesitate to contact any committee member.

Meanwhile, on behalf of the committee, please do contact us if we can help in any way and we look forward to seeing on the course, bowls green or around the clubhouse sometime soon.

Yours sincerely,

Christopher Hodgson
Membership Secretary on behalf of Alderney Golf Club
